

Bonnie Inniss serves as the Portfolio Manager for ShoreBank Enterprise Cleveland (SEC), the non-profit affiliate of ShoreBank. Ms. Inniss has held a number of positions since her start in 2001. Formerly she held the positions of Business Development Manager and Business Development Associate.

Ms. Inniss oversees a portfolio of companies that have investments from SEC's Enterprise Finance Funds. Her responsibilities include analysis and tracking the financial quality of small business investments, monitoring compliance with investments covenants, and conducting periodic visits to customer locations. A former lender, she understands the entire loan process from application to pay-off.

Ms. Inniss holds a BA in Business Management from Baldwin-Wallace College and is certified as an Economic Development Finance Professional by the National Development Council of New York City. Her civic activities include service as an Emeritus Board member of the United Black Fund, volunteer for Jobs Partnership of Cleveland and the Consortium of African American Organizations Minority Access to Capital Roundtable.
